Hospice Care

**Servicing Orange County
& select Los Angeles counties**

A Team of Experts to Support You.

Our hospice team puts patients and their families in the driver's seat. We help families plan without pressure, advise on every aspect of the decision making process, and adapt with you whenever circumstances change.

Your team of experts will be comprised of:

- Doctors
- Nurse Practitioners
- Nurses
- Nursing Aides
- Physical Therapists
- Occupational Therapists
- Registered Dietitians
- Social Workers
- Spiritual Advisors and Chaplains

When it's time to transition from therapeutic care to Hospice care, you don't have to go through the process alone.

What services are included in Parentis Health Hospice?

Services include:

- Observation and assessment
- Skilled nursing care
- Pain and symptom management
- Daily living assistance
- Therapy services
- Caregiver education
- Guidance on advance directives & planning
- Emotional and spiritual support
- Bereavement and grief counseling

How It Works

Hospice Care Roadmap

To simplify your hospice care journey, we have created a “How It Works” roadmap, so you’ll always know **HOW to access care** and **WHAT to expect**.

Step 1

Get a Doctor's Referral

Ask your doctor for a referral to Parentis Health Hospice

Step 2

Eligibility Review

We will review your eligibility and receive authorization

Step 3

Sign Consents

All consents will be signed to ensure protection of all parties

Step 4

Admissions Assessment

Durable medical equipment (DME), medication, & supplies needed for care will be ordered

Step 5

Start Services

We develop an individualized care plan tailored to your needs and schedule your skilled care

Parentis Health Volunteer Program

Our Volunteer Program provides companionship, and a wide variety of activities for patients to participate in, such as: **pet therapy, music, crafts, reading and other healthy living activities that increase well-being.**
